Could your business use a Merchant Cash Advance?

Turn your future credit card sales into cash today with a merchant cash advance through First American Payment Systems. We provide consultation to help customize the appropriate cash advance option for your business. We can even take over your existing merchant cash advance, offering you the wealth of products and services only available with First American Payment Systems.

- **Easy Process** – We only need a small amount of business information to get started. No personal collateral is required, plus it will not be listed on your credit report.
- **Pay As You Go** – Payments are automatically collected from a set percentage of each day's Visa and MasterCard transactions when they are batched.
- **No Extra Fees** – With a merchant cash advance, there's never an application fee, late fees or checks to write.

Merchant Cash Advance – another powerful product from First American Payment Systems!

Imagine what your business could do with extra cash:

- Renovate
- Open new locations
- Manage seasonality
- Expand your business
- Cover emergency needs
- Purchase inventory
- Upgrade equipment
- Advertise
